

Riddell®

SPEEDFLEX ND6

As Riddell strives to improve on-field protection and performance, all Riddell ND6 helmets meet the new standards set forth by NOCSAE, ahead of the effective date of September 1, 2027.

» The SpeedFlex ND6 is recommended for youth players through junior high.

ND006 NOCSAE STANDARD

On **February 7, 2025**, the NOCSAE Standards Committee finalized the first ever performance standard for youth football helmets. The new standard directly addresses unique risk exposures for youth football players.
